Artexpo New York 2019 is the annual art trade fair with a 41-year history that attracts over 35,000 gallerists, curators and art mania each year to view displays of over 400 innovative artists and galleries from around the world. The lineup of our productive, talented and newsworthy artists includes: NIKUGUSOTARO whose other persona is *cookie* of the popular Japanese comedic duo Yasei Bakudan of Yoshimoto Creative Agency Co.,Ltd.; the nonfigurative artist Tsugiko Ito who continued to paint until she died at the age of 92 in Hachinohe City, Aomori; the contemporary artist Ai Ohkawara whose works were used on the cover of a book by an Akutagawa Award winning writer and in a Netflix film; U Kaneko whose work was selected as the poster image for Omotesando Hills Art Week 2018. Artrates Inc. offers support to local artists looking to promote their works abroad regardless of their experience or level of achievement.
